Ya'll betta not  
Ya'll betta not, ya'll betta not  
Ya'll betta not  
Ya'll betta not, ya'll betta not

Ya'll betta not fight with bitch  
Ya'll betta not, ya'll betta not  
Ya'll betta not fight with bitch  
'Cause I plan on stayin' all night with bitch

Ya'll betta not fight with bitch  
Ya'll betta not, ya'll betta not  
Ya'll betta not fight with bitch  
'Cause I plan on stayin' all night with bitch

Ask Louisiana, ask Mississippi  
Ask Little Rock, nothin' can fuck with me  
Real talk, you can even ask 50  
Betta yet, you can ask P Diddy

Baltimore, my city, I set it off  
Hear me walkin', I'm the governor nigga, they lovin' a  
nigga  
I'm Duvall finest, I'm laced with diamonds  
Been up in St Louis, all they do is bang Boosie

Reppin' in North Carolina  
Both arms  
Hundid thousand on my wrist, bitch  
Both arms

Louisiana ain't even gotta talk  
For what?  
In every town I'm the muthafuckin' boss  
Move it

Savannah Georgia, I'm higher than anybody  
Rest in peace, camouflage, nigga, I got it  
Got a style that just can't be faded  
Gotta smile, drive bad bitches crazy

Ya'll betta not fight with bitch

Ya'll betta not, ya'll betta not  
Ya'll betta not fight with bitch  
'Cause I plan on stayin' all night with bitch

Ya'll betta not fight with bitch  
Ya'll betta not, ya'll betta not  
Ya'll betta not fight with bitch  
'Cause I plan on stayin' all night with bitch

We in that thing D-Bo, hotter than a heado  
Walk a wrong way and getcha stung like a mosquito  
Young Nino, money like a casino  
Boss name in my city, think I'm Al Pacino

Chea with the fightin' tonight, gettin' ya chills on  
We tryna party all night, we ain't goin' home  
Trill Fam, yeah, you know how we rock  
Every city we hit, we got the town on lock

All or nothin', yeah, that's just how we comin'  
Tell ya boy to stand down, we come in a whole hundid  
You can buck, you can dance, you can wile out  
Get outta line and we gon' make ya file out

Ya'll betta not fight with bitch  
Ya'll betta not, ya'll betta not  
Ya'll betta not fight with bitch  
'Cause I plan on stayin' all night with bitch

Ya'll betta not fight with bitch  
Ya'll betta not, ya'll betta not  
Ya'll betta not fight with bitch  
'Cause I plan on stayin' all night with bitch

Whatchu mean, bruh, aw, Mane, bruh  
I'm in this thang and that's the only thing I came fa  
Mugged up, I got my people with me  
The whole Trill Fam and we don't give a damn

'Bout what they talkin' 'bout, spillin' liquor, put us out  
Put one of 'em out, I'll punch 'em in the mouth  
Full of drugs, feelin' good  
I dare ya fa ta look at me, fuck with me, what nigga?

Knock ya out and then kick ya apart  
Stomp the shit up outta bitch and take that shit to the  
car  
Put that tool up on ya homie right in front of ya boy  
Murda, first degree, I'm ready ta catch me a charge  
What?

Ya'll betta not fight with bitch  
Ya'll betta not, ya'll betta not  
Ya'll betta not fight with bitch  
'Cause I plan on stayin' all night with bitch

Ya'll betta not fight with bitch  
Ya'll betta not, ya'll betta not  
Ya'll betta not fight with bitch  
'Cause I plan on stayin' all night with bitch

Don't get to fightin', my niggas might get to shootin'  
I got fifty niggas with me, 49 of 'em bootin'  
I'm on all kinda drugs, I don't know which way to go  
Left my mind at the house, left my cigar at the store

Left my weed in the car, left my Henny at the bar  
Left my rubber on yo bed, left yo woman in the dark  
Tell the DJ, run it back, yeah, we on the hundid pack  
Got somebody baby-mama kissin' where my stomach  
at

Betta cool yo lil nachos, actin' like you macho  
Hit you with that 40, knock the meat up out ya taco  
I don't even drank but got this giant Goose bottle  
You can keep the riches 'cause I'm leavin' with a model

Ya'll betta not fight with bitch  
Ya'll betta not, ya'll betta not  
Ya'll betta not fight with bitch  
'Cause I plan on stayin' all night with bitch

Ya'll betta not fight with bitch  
Ya'll betta not, ya'll betta not  
Ya'll betta not fight with bitch  
'Cause I plan on stayin' all night with bitch
