i gotta gangsta bitch ah kill for me.

she like my pill wen its kickin in.
she go hard!

like the way that makeup make you look puerto rican.
wit yo sexy ass.

but imma hurt you
if you don't have my grits and eggs.
and fo nigga leave the house i gotta get sum head.
respect a nigga wen i grind.
she my own war.
hoes own the war.
yeah
hoes own the war,

Taken trips across sea's
its time to get away.
look like i aint cumin home for a couple days.
its sumthin bout her ways.
sumthin bout her love for me
made her stay solid wen 'em people ran off in my
place.

she make that pussy bite that dick.
she a fool wit it.
her nerves bad she mite even smoke a cool wit me.
