i woke up in a puddle of blood lookin like im finished  
cuz blood jumpin out my mouth like K. D. of Menace  
and Bleek hollerin call the people my nigga hit  
my eyes go back I heard Bleek say aww shit  
thats when i started havin flashes bout my dirty ways  
never thought id see a mutha fuckin early grave  
i hit the hospital they fill me up with i. v.'s  
cant take the pain all thinkin why dont you die please  
i hear my momma on the elevator goin crazy  
all i remember ' its not my baby , not my baby '  
im tryin to fight it cuz im burnin from this rusty gat  
and all im thinkin is ivy on a high note at that  
my tear drop i hear the doctor hollerin surgery  
my last chance to make it through this murder plea  
then i heard flat lines and i woke up sweatin  
i tried to tell my nigga but he was restin

i had a dream i had a dream but it wasnt nothin like Dr.  
King's  
fuckin right i had a dream i had a dream but it wasnt  
nothin like Dr. King's  
fuckin right i had a dream i had a dream but it wasnt  
nothin like Dr. King's  
you fuckin right i had a dream i had a dream but it  
wasnt nothin like Dr. King's

last night i had a dream i was at the fair with my bitch  
and was with his click at the fair wit his six  
he had on all black and his hair was in twists  
beefin since way back middle school in the 6 th  
watchin his every step cuz  
i know this nigga real and leave me stankin  
and i know this nigga will and he did  
caught me slippin by the ferris wheel  
and let me have it right there  
my old lady and my son right there  
he didnt care he just kept pumpin  
but my heart kept thumpin  
and i wondered why until i opened my eyes  
ran to my nine fealin threatend and shit  
sweatin and shit still thinkin i was hit  
no one for me to get so im bootin at the wall

still feelin blazed started shootin at the wall  
thinkin my life was taken  
sweatin shakin in my draws  
wonderin wa that a sign or a call from the big dogg

i had a dream i had a dream but it wasnt nothin like Dr.  
King's  
fuckin right i had a dream i had a dream but it wasnt  
nothin like Dr. King's  
fuckin right i had a dream i had a dream but it wasnt  
nothin like Dr. King's  
you fuckin right i had a dream i had a dream but it  
wasnt nothin like Dr. King's

my next dream i was on an island playin with my lil girl  
watchin news bout bin laden when i heard some shells  
poppin  
i wonder who this is throwin my shit and my dirt  
either a hitter or a kidnapper just to get to big turf  
i went below deck got four techs and got in the corner  
and my daughter right behind me so dont nobody wont  
harm her  
when i first when up on deck creepin slow wit my nine  
got my knife and slit his throat as i grip four from  
behind  
got this nigga in the kitchen we went toe for toe blow  
for blow  
duck threw a hit pow clocked him and hit the floor  
no its one more i hear the nigga walkin  
he in the toy room and toys fixin to get to talkin  
he hit the hallway and waved his pistols dogg from  
side to side  
i reached down low spied him and hit him right  
between the eyes  
then i woke up sweatin snd you know why cuz

i had a dream i had a dream but it wasnt nothin like Dr.  
King's  
fuckin right i had a dream i had a dream but it wasnt  
nothin like Dr. King's  
fuckin right i had a dream i had a dream but it wasnt  
nothin like Dr. King's  
you fuckin right i had a dream i had a dream but it  
wasnt nothin like Dr. King's
