[intro:]

Boosie Bad Ass Nigga on some real shit  
from a real nigga to a real nigga

[ Lil boosie Verse:]

I Lost My niggas in dese streets to dat gansta dean  
pictures make it worse listen to dis cold ass  
verse from bad ass spit the same game to hoe's like  
dha same clothes money brings power so we like to  
bankroll at my bed at night i cock and sit it next the  
lamp thinkin bout all my trill niggas we lost to dha  
champ tears running down my momma eyes and it's  
the truth plenty nights yo son try but ma ts boosie boo  
two dead in borad day light on dem southside curves  
you aint heard you aint staingy if you got dem birds  
plus my grandma lost ha life mama house in flames  
uncle still drinking like the game dont change i cant  
sleep at night man dese nightmares dey eat me up  
surley i been laid off had to hit my knees bruh help me  
lord jesus when im on my way home keep dem devils  
off my back and keep me shined whidd dat grown  
mann

[chorus:]

Now i lay me down ta sleep(down ta sleep) i pray ta  
lord my soul ta keep(soul ta keep ) if i should die  
before i wake(before i wake ) i pray ta lord my soul to  
take(soul to take) x2

[Shell Verse:]

Sometimes i wish i can change the world i probably  
could but aint no tellin if i would cause im straight up  
out dha hood Knowin dat a niggah should my mama  
always taught me right from wrong and when you die  
baby life goes on dey say what goes around gotta  
come around and when it comes down to dha come  
down only gods gone hold ya down dats why when you  
see me im lonely and i ride by my self all my real  
niggas gone i only got a few left lord forgive me fo all

my sins cus god knows all dha wrong i did im tryнна  
shake back dats why i smoke sack from sack tryнна  
reach god bhut dha devil on my back the judge tryнна  
give my big dog nim life fo some bullshit you know dat  
shit aint right i pray every night so i can sleep right cus  
in the day time dawg i lit a street light

[chorus:]

Now i lay me down ta sleep(down ta sleep) i pray ta  
lord my soul ta keep(soul ta keep ) if i should die  
before i wake(before i wake ) i pray ta lord my soul to  
take(soul to take) x2

[Lil Webbie Verse]

Done did good done did dirt done stayed hood dha  
whole way i felt some like a fone humma i aint feel  
coming not dat day in DAT way you can trust niggas or  
learn fast how to say fuck niggas my chest hurtin my  
vest hurtin my heart hurtin and i fuck whidd em he  
raised me grew up whidd em taught me some of dis  
street shit kindah nigga you aint want beef whidd  
kindah made me wonda how dha hell he slip dat just  
goes to show me shit none of us niggas untouchable i  
ride wats up man everywhere i go i lived to see 30 dats  
questin fo i told god times hard gotta know how to spit  
dese rhymes hard had to bust heads to get dat bread  
sometimes it can start live my life like fuck tomah no i  
aint seein big hump tomah waitin to blaze me a blunt  
tomah den lay around and get stomped tomah try ta  
play me like a punk tomah have yo ass in the trunk  
tomah leave dha ice to my brotha befoe i got ta my  
heart leave tha house cars ta my lil booi close my eyes  
im goin ta god trill fam holla at chea boi we still fam im  
foreva born when ya time comin you aint neva knowin

[chorus:]

Now i lay me down ta sleep(down ta sleep) i pray ta  
lord my soul ta keep(soul ta keep ) if i should die  
before i wake(before i wake ) i pray ta lord my soul to  
take(soul to take) x2.....
