These are the words of a real nigga NIGGA Figure of speech Whea I'm from Know what I'm talking bout Boosie Bad Azz Look Look Look The way you live the life of a real nigga Be a real nigga I'ma keep it gangsta All the way gangsta I aint gone change Believe that Da words of a real nigga Talk to 'em nigga Look nigga From sun down to sun up Be bout ya come up (be bout ya come up) Ya wake up to get ya cake up Be bout ya paper (be bout ya paper) Never snitch Take your silence to tha grave wit ya (grave wit ya) Give back to tha hood If you a made nigga (made nigga) If you a daddy then you got responsibility (nigga) Dead beats close your ears You aint feeling me (pussy) You say you thuggin' If you thuggin' live or die by it (we live or die by it) You say you hustling Teach your click to be wise by it Keep ya tool on ya mane You know tha rules (know da rules) Them real nigga in college You gotta wake up for school (they real to) Hustle What you doing for a living You satisfied wit the money you getting You aint no real nigga (they say you aint no real nigga) Respect ya elders Believe me you'll live longer (yes mama) My nigga kids, my kids That's how we live homie Tha pin don't make you realer Then the next nigga (pin life) I'm straight G this fuckin' jeweler don't make me (Fuck no) No man or women shall separate us That me shit You play some games Forgive me god its G shit I lay down law I keep it real wit niggas If gonna play games I deal wit niggas Buck nigga Chorus(2x) Money don't make me I'm straight G, I'm straight gangsta The words of a real nigga (real nigga) No man or women shall separate me ( my nigga) The words of a real nigga Ole school ran into me Told me even when ya bread low (bread low) Nigga never keep ya head low (head low) If that's ya girl, love ya girl Fuck what ya nigga say But he suppose to speak his mind If he feel that way (my nigga) If you a boss break it off When its bond time (my bond) Cause you know it was fucked up one time (fucked up) One time already know Shid call my lawyer (call him now) Tell him I plead the 5th (plead da 5th) And they done bugged my charger (bugged my charger) Hustle harder wake up early and get on

your grind If you a soldier be a soldier till it came yo  
time Niggas jealous in this world and they dirty to (dirty  
to) For a lil fame and a big name they'll murder you  
Chorus 2x Boosie Bad Azz I told all my niggas No man  
or women shall separate what we create Some niggas  
died Some niggas joke Some niggas ball and make it  
Some niggas fake and say they real in every fuckin'  
verse Them hope to bees and wannabees They gone  
say it first Don't it hurt deep inside When a nigga turn  
bitch Let a bitch take his figures Separate his niggas  
Aint it funny wit tha money Everything change You keep  
it real wit yo nigga in tha chain gang When it all fall  
down can you maintain Stay real stay silent without no  
fuckin' violence If a nigga crossed the line Would you  
solve the problem I got yo back nigga I got yo back  
nigga Real niggas I'ma send this motherfucker here  
I'ma send this bitch to all my real niggas Cross the  
world Who live by or die by whatever they do Weather  
hustling rap hustling going to school hustling or block  
hustling whatever you do this for my real niggas  
money don't make boosie bad azz Torrance Hatchet  
Just me just me That's it imma take all this jeweler off  
right now still me
