Would you stay down, would you stay ride for me?

Give me your heart and this Mercedes, could be your

When I fuck you with no rubba, cause I love ya deep

Keep it ya fly, nails done, feet, hair too, beat my dick  
consently in jail, wish I could have you!

You make me look good, I make you look better,  
Cause you're fucking with a nigga, that's on another

Chorus:

Oh, oh, oh!

When I'm inside, tell me would you stay down,  
Would you stay down, would you stay ride for me?  
When I'm inside, tell me would you stay down,  
Would you stay down, would you stay ride for me?

Sweat my body, can't trap my mind,  
I think about you all the time!  
I told you, I will keep you fly,  
Now everyday, you're riding high !  
I love it when I'm inside of you,  
And you call me daddy!  
Oh girl, I'm in need of you, I want you badly!

Chorus:

Oh, oh, oh!

When I'm inside, tell me would you stay down,  
Would you stay down, would you stay ride for me?  
When I'm inside, tell me would you stay down,  
Would you stay down, would you stay ride for me?
