Now I promise you 2 cum home at nite Yea rite, I

piece I can see dem tears flying down yo cheek, y you
thug me like dat cuz im thug'd. I pull away 4rm girls
when we start falling in love. Was go take you on a
cruise but I change my mind. I always promise you the
movies but I have no time. I'm wit my niggaz half the
day n she aint feeling dat. Y she at home cooking n

sometimes I feel like I don't need you. [x4]

Now I promise not leave ya pussy wet yea rite, I
promise you 2 show you sum respect yea rite, I guess I
live the life of a super star driving all dez fancy cars, n
real talk man I can have any broad. Plus I hate 2 see
you crying, I hate 2 tell you lies, that's y deep inside
she be like y you thug me like dat. It's just in me, been
doing girls wrong since I stepped off in McKinley. Hate
2 put my hands on ya cuz I feel bad. I wear a rubber
when im fucking but you don't feel dat. They got a lot
of women wrong, got a lot of women strong. But when
you got a super star you gotta hold on. Super star go
try 2 fuck all dez hoes yea rite, but when they zip down
them bauds everything alright. My nigga bleek he like:
GO HOME 2 YO OL' LADY, SHE CATCH YO ASS SLIPPING
SHE GO BUST DAT 380.

Y u thug me like dat? I swear 2 GOD I don't mean 2,
sometimes I feel like I don't need you. [x4]

Look this how I play it, if I ever fuck with ya, ima fuck
another girl see if you go fuck another nigga. Y you
thugging like dat. Cuz im boosie badass, if she don't
suck it I aint mad, I can't do nothing but laugh. I made
the girl cook 4 me n don't even cum by, hope this dirty
shit don't cum back on taulaijah n I. I make the girl
pussy wet when I look in her eyes so boosie never

surprised when he get in them thighs. I got my heart broke at 14, that was way way back. So all the girls after that, it was straight pay back. I like 2 lay back n take trips n dress you up, but when you start mouthing off you messing up. So shut it up. Would you forgive a real nigga answer that? Would you still be with him answer that. If he had another baby put you in a situation would you forgive him or leave him n hate him.

Y u thug me like dat? I swear 2 GOD I don't mean 2, sometimes I feel like I don't need you. [x4]
