now who's gonna love you like me (nobody)  
who gon do you like me (nobody)  
who gon kiss you like me (nobody)  
who gon freak you like me (nobody)

Yeaahh

now imma put it on you, you you  
now imma put it on you, you you  
now imma put it on you, you you  
now imma put it on you, you you

yeaahh

now from the introduction badass  
he had you blushin, my first discussion  
was strictl if all this body touchin  
kissin and huggin she fillin her head in the pillow  
i kiss her tattoo on her back  
and stroke her on her from the back  
and i put in on her from the wall to the bed  
fine red she starrin she aint scared she gon hit me with  
that head  
she comin, im commin we both close our eyes  
she call me rollercoaster she love to take a ride  
say she aint met nobody yet the could last long  
sometimes i need ex just to lawst longer  
and i feind for her and part of my mind stay on her  
put her body in a coma

now who gon love you like me (nobody)  
who go do you like me (nobody)  
who gon kiss you like me (nobody)  
who gon freak you like me (nobody)

Yeaahh

now imma put it on you, you you  
now imma put it on you, you you  
now imma put it on you, you you  
now imma put it on you, you you

Yeaahh

you know i like to be with you  
make love and sleep with you

squeeze ya tight from behind  
especially christmas time  
noone can love you better, i promise  
gotta brag and tell sista's and her mama's  
like "that boy a fool"  
pay ya dues, ill buy you shoes and the finer things  
the diamond rings ooh.. i love yo body frame  
who gon love ya, who gon touch ya  
like a thug do  
drop you off and pick you up makin love too  
love everything from to your smell to your belly ring  
she keep it clean, aint gotta tell her about her hygiene  
(thats my bay) MAN !  
and she touch me in the rite spot  
know how to get her ready i know her hot spot

baby come on over  
i got some things in store for you  
jacquie's hot, candels lit  
and you know we gon be sipin'  
baby when you get here  
imma give it to you

(nobody) gon chop you on the late night  
(nobody) can change your life with just one swipe  
(nobody)them nails and that hair right  
imma be be be beat that thing all night

now who gon love you like me (nobody)  
who go do you like me (nobody)  
who gon kiss you like me (nobody)  
who gon freak you like me (nobody)

now imma put it on you, you you  
now imma put it on you, you you  
now imma put it on you, you you  
now imma put it on you, you you
