seen her walkin by
lady caught my eye
girl was so divine
gotta let her know i wanna make her mine
wanna spend my time, wanna give her
everything she wants bottom line
[ooh] tell me how you feel
whats the deal for real?
cuz i gotta know
i gotta know fasho
[ooh]do you feel me?
like i feel you?
don't know what it is but there's
something about you

[chorus]
is it her smile?
is it her clothes?
is it her style?
i don't know
she's so fine, blow your mind
she's the cutest girl i've ever seen
cutest girl i've ever seen x2

this girl was so sweet
sweet like candy
skin like cinnamon
this girl was heaven sent
had light brown eyes
stood bout 4 foot 5
had me daydreamin
just cant get her out my mind
[ooh] like how to make her smile
can we talk awhile?
would you mind if we hung out?
tell me are you down?
[ooh] do you feel me like i feel you?
don't know what it is but there's something about you

[chorus x2]

never thought i'd feel this way[never thought i'd feel
this way]
til the day that she came[that she came]
had me just wildin out
[whatever she wants] whatever she wants i'm down

never thought i'd feel this way[never thought i'd feel
this way]
til the day that she came[that she came]
had me just wildin out
[whatever she wants] whatever she wants i'm down

[chorus repeat til fade]
