Girl your so lovely, Beautiful, Attractive
How would I be acting if I didn't walk up in you
And I know you feel the same way to and I know you
feel the same as I do, can I have this dance
I love the way you look in those J.Lo type pants
It's time to find some romance
And your the one I want [whaa] you want me too
It sounds good to me does it sound good to you?
But don't stop now I wanna see that body movin yeah
baby girl I know exactly what your doin
Your getting me excited
My fires been eqnited
The finest girl lend me your hand, an no one can deny
it
I wanna just keep it to myself and no one else
The way you move your body is something else
So let me tell you something that's been stuck in my
mind
I gatta take you home with me take you home tonight,

[2x]

Damn baby girl you lookin fine on the dance floor with
tha beautiful lies, beautiful thighs,
I love when you move left to right, I gatta take you
home with me take you home tonight

Beautiful lies beautiful hair a beautifl body
And no one compares
And as you keep dancin

Everyone stares
But you keep actin like you don't care
Everyone knows that you got it goin on
And everyone knows that you are the bomb as soon as
you arrive all eyes are stuck to you
I witnessed it first hand so baby girl I know it's true I
wanna take you home with me, is it too soon?
Or maybe we can spend a little time before we do
spend it on the dance floor dancing
Me and you
Come on come on

Girl show me how you move
I don't usually act like this but when I first saw you I just
couldn't resist
I love the way you move left to right the right and I
gatta take you home with me take you home tonight

[2x]

Damn baby girl you lookin fine on the dance floor with
tha beautiful lies, beautiful thighs,
I love when you move left to right, I gatta take you

Your exactly the kinda girl that I've been lookin for
And I'm not leaving until we both walk out the door
Have I said too much
No I don't think I've said enuff

the right curves in all the right places
Tell me whens the last time that you went out on
vacation
I'll take you anywhere, anywhere you want
All you gatta do baby go lets pick the spot
Suit me ruff and roll one
And baby we can go one
And float on take you on a ride so baby hold on give

And won't take no for an answer I don't wanna stop
because your love

So tell me if I'm wrong but girl you know I'm right I gatta

tha beautiful lies, beautiful thighs,
I love when you move left to right, I gatta take you
home with me take you home tonight
