Remember When I Die
Girl Don't You Cry
Just Dry Your Eyes
I Never Ment For Me To Say Good Bye
Remember When I Die

When I die
Don't want you to cry
Just hold ya head up high
N keep your dreams to the sky
Cuz in your eyes, babe (Uh Uh)
I see no lies
You know what
I love you so much

When I Die
When I Die
Will you be on my side
Miss me with pride
And keep my name alive
(Tell me baby)
When I Die

Remember When I Die
Girl Don't You Cry
Just Dry Your Eyes
I Never Ment For Me To Say Good Bye
Remember When I Die

I'm Sorry For The Way I Let You Down, I'm SO SORRY
I'm Sorry For The Way That Things Went Down
BETWEEN YOU AND ME

I'm all out of excuses
You say I'm abusive
I just say I'm ruthless
See the way I talk useless
So...
What can I do to make it right with you
So confused
I wish I didn't have to walk in my shoes

Remember When I Die
Girl Don't You Cry
Just Dry Your Eyes
I Never Ment For Me To Say Good Bye
Remember When I Die

Baby When I Die
Will There Still Be Love In Your Eyes For Me?
Will You Still See Things The Same Way You See?
Baby When I Die...
I Want Your Pretty Face To Be The Last Thing I See

I'm sorry I'm stuck in my ways
I pray everday
That maybe one day
I'll change
You know the rest
You say my life's a mess
And I'm posessed
And obsessed
I just think I'm over stressed
(When I Die)
And I finally payed the cost
And you take it as a loss
So just think about the pain that I caused
And when I die
Will you remember me
And all the good in me

(When I Die)
When I Die
Will you be on my side
Miss me with pride
And keep my name alive

Oh When I Die
Oh When I Die
Will you remember me
Like I remeber you
And the time you spend with me
And all the things we used to do
You never really know
How much you ment to me
My heart will be with you
Until the end
Just wait and see

Remember When I Die
Girl Don't You Cry
Just Dry Your Eyes

I Never Ment For Me To Say Good Bye
Remember When I Die
Remember When I Die
Girl Don't You Cry
Just Dry Your Eyes
I Never Ment For Me To Say Good Bye
Remember When I Die
