:chorus::

hey girl don't you know
money buys almost anything
but it cant buy real love.

::Lil Cuete::

i see you everyday but you never look at me
you're always looking good but you look unhappy
Tell me why you choose to live like this
If you were mine i'd never make you feel like this
You need a man not someone thats gonna hurt you
you need to let him go he doesnt deserve you
and when i say i'll make you happy it's true
or you could stay with your man
and get your heart broken too
but here's my number call me up if you want
and when you feel lonely you could roll through my
spot
see i ain't trippin homies lost in my game
nobody know's it til we say 'cause im ahead of the
game
'cause im a king what i need is a queen
i could have a million dollars but it wont mean a thing
now i aint rich but i'll tell you one thing
i could give you more happiness then money can bring

::chorus::

now i don't drive a fancy car,
no diamond in my pinkie ring
barely make enough to get me by
nothing left for material things
but hey girl don't you know money buys almost
anything
but it cant buy real love

::LiL Cuete::

i want to be ur only one
and u could be mine too
'cause baby im going crazy
when i think about u
i get excited when i see you come through
nobody else made me feel the way that you do

i need a woman not a girl
not just someone to f*ck
i dont mean no disrespect
but thats wassup
i see you smile when i talk like that

it seems like it's been a while since you smiled like that
but maybe we can kick it
you spend a little time
sit down one-on-one
and let you know what's on my mind
i know a good thing when i see it
and i see it in you
so tell me what i gotta do to make you feel the same
too
because im a king what i need is a queen
i could have a million dollars
but it won't mean a thing
now i ain't rich
but i can tell you one thing
i can give you more happiness
then money can bring
and thats real

::chorus::

now i don't drive a fancy car,
no diamond in my pinkie ring
barely make enough to get me by
nothing left for material things
but hey girl don't you know money buys almost
anything
but it cant buy real love

that's all i've got to give my heart and soul to you
only way i wanna live sharing each moment with you
take it fast take it slow girl you know it's real this time
(so real)
don't let true love pass you by baby

::chorus::

now i don't drive a fancy car,
no diamond in my pinkie ring
barely make enough to get me by
nothing left for material things
but hey girl don't you know money buys almost
anything
but it cant buy real love

So Real.....(fades away)
