Intro:

She's the only one that I need
Baby come roll with me
She's the only one that I need
Baby come roll with me

Chorus:

She's my #1
She's my only one
She puts it down down
While she gives me all her love
And yeah
She's all I'll ever need
I'd trade the world for her
Cause she's my everything

Verse 1:

Let me tell you a little something
About this girl I know
She's beautiful
And yeah
She's in love with me
I see her every time
I close my eyes
And when we ride
It's til the day that we die
And I can't get enough of her
Place no one above her
And she knows that I love her
I'll keep her
Til I'm no longer breathin
Yeah
Baby girl you best believe it
That's right girl
I got your back
And that's right girl
You got me on track
And that's why girl
I love you for that
And I'm a tell you one more time
It's the way you make me feel

Come on

Chorus:

She's my #1
She's my only one
She puts it down down
While she gives me all her love
And yeah
She's all I'll ever need
I'd trade the world for her
Cause she's my everything
She's my #1
She's my only one
She puts it down down
While she gives me all her love
And yeah
She's all I'll ever need
I'd trade the world for her
Cause she's my everything

Verse 2:

Not the type people find in the club
Or poppin' bottles
She's got her own degree
But I think she should model
I put it down one time
Cuz I trust my girl
Two times cuz she knows
That she's my whole world
And nobody can take her place
I wouldn't have it any other way
She makes me happy
And I'm proud to say
That she's my baby
And I'm here to stay
And that's right girl
I got your back
And that's right girl
You got me on track
And that's why girl
I love you for that
And I'm a tell you one more time
It's the way you make me feel
Come on

Chorus:

She's my #1
She's my only one
She puts it down down
While she gives me all her love
And yeah

She's all I'll ever need
I'd trade the world for her
Cause she's my everything
She's my #1
She's my only one
She puts it down down
While she gives me all her love
And yeah
She's all I'll ever need
I'd trade the world for her
Cause she's my everything

I'd trade the world for her
Cause she's my everything
