Alright now oh yea

cuetes fine in the midnite cuetes fine through the summertime, hes hittin switches in the chevrolet & damn hes lookin real real fine & all the way that he puts it down wen all the other guys juss mess around. hes the only 1 i'm thinkin of i juss want sum, i juss want sum summertime lovin

[[Cuete]]

I kno you wanna roll wit me, i wanna roll wit you 2 cuz no matter wat i do i'm alwayz thinkin of you. you got me makin up verses, i'm try'na get it juss right try'na tell you that you got everything that i like. i need you right here by mah side 2 b mah 1 n only if you were mah lady i never would b lonely. i'm the type of man 2 open doors b4 you walk through & i admit i love that smell of your perfume. you get me all excited wen your right here next 2 me & if i gave you all mah love, would you give all yours 2 me? wen i first saw you i wanted you 2 b mine. i cant explain the way i felt baby girl your so fine your alwayz on mah mind, i'm alwayz thinkin of you & its a trip on how much i'm really attracted 2 you & its true your the only 1 i'm thinkin of.
i juss want sum summertime love.

i met alot of different girls, but never 1 like you. your lookin real bad & you kno you do 2. it makes me happy 2 kno that you tell your friends about me. i'll tell mah friends & your friends you got everything i need. wen i kiss you it feels good, wen you love me it feels better. if you stay by mah side i can get through any weather & if you stop n think about it, its true wat they say wen

love finds you you cant make it go away & everytime
you leave girl i want you 2 stay & you would alwayz b
around me if i had it mah way. come b the queen of
mah castle i'll put up on the throne cuz i kno you'd
make mah house into a happy home. your exactly the
type of girl i been lookin 4, you give me feelins that i
cant ignore & its true your the only 1 i'm thinkin of
i juss want sum summertime love.

you can find me on the 1 way, hittin switches on a
sunny day. i've got the wheels all polished up & all the
ladies wanna give it up. we ridin low in on the c. lil'
cuete wit a gangsta lead. girl i'm on mah way 2 swoop
you up & take you away.
