(Intro)

Can I rock to this rhyme?  
You're not on my mind  
They say we blowin' up  
Don't jump on a mine  
I once had a time  
Tell the world I was blind  
Now I see everything  
Through these contacts of mine  
I'm at the office yeah  
I does it again  
I touch it, it wins  
That why the label buzzin' me in, uh  
Tell my momma I won't stop 'til I'm signed  
I'm hot with the ryme  
You Megatron, I'm Optimus Prime  
I'm locked in a line  
I'm just waiting for my turn  
Still fresh as def'  
So this paper I gotta earn  
I ain't Stern  
David commision me for athleticism  
The prototype on the mic  
Just check my mechanism  
And they ask how you make the world feel it?  
I say it's DNA, It's just in my double helix  
Controversey sells,  
Controversey sells  
And I'ma take this line  
To the Presidential hill  
Now Barack, though I love ya  
You in a lower weight class  
I'm above ya  
Can I get this?  
Guarantee I spit this  
Hand on the stand  
I guarantee you should witness, yeah  
The boy back like retro  
I want my car to have lights like Esco  
I'm in a class, in the corner  
I'm special

The flow's magic, magic, presto  
I take off before, and I break off  
Perfect attendance  
I'm never taking days off  
And while I put in work  
And they getting a lay off  
And this is based off  
Flow  
I'm feelin like I'm near cash  
On drive, so I steer fast  
Don't they feel my impact like a deer crash?  
Promise I tear  
If I wait, you see it's frontin'  
Make the rain go away  
Like a windshield wipe  
I'm right, I'm wrong  
I'm everything above  
A big enough heart  
To give a hater a hug  
Shootin' off  
Whether it's grenades or a slug  
Still bees, honey bees, designated by bugs  
What?
