Eh, check the plans out  
We work hard  
I ain't asking for a handout  
If I hit the booth I don't have to pass those grams out  
And beat her well when the other thoughts ran out  
They say they lost words  
I got them puzzled like the cross-word  
Harvard  
I'm not George Washington Carver  
But you can never pay a boss peanuts  
If it gets messy be prepared for the cleanup  
But this thing called success is so strange  
Because you can get notoriety and still ride the train  
Make it in it's entirety and search for the fame  
But I'm still Michael Phelps swinin' in my lane  
Where's Lois?  
Me, I'm Superman here to save the day  
Or at least I thought I was  
Til I flew in the Sabre  
And met my opponent  
I'm fighting myself  
Don't offer the condolence  
I'm Dreamin

(Chorus)  
We Chasin' the dream  
So what is life the diamonds and the gleam  
Get a job while I'm doing it  
Promise to stay true in it  
Doin' it  
But promise to never let another soul ruin it  
And things ain't what it seem  
Make money to spend it  
I got my scheme  
Work hard while we doin' it  
Promise to stay true to it  
Doin' it  
But promise to never let another soul ruin it

It too haunting  
The task is daunting  
Trying to get the labels on board while flaunting

But, let's make some music make some money  
Get the rides  
European ties, have models wives  
Sometimes I feel faded to pretend  
Unsafe 'cause my crib is far from gated in  
I'm a relic believe slightly the psychedelic  
If I could take off would you consider me angelic  
Hysteric  
I'm the subject and the predicate  
They hatin' on me tell me wheres the eticate  
If you could lie about me, I don't have to prove I'm  
better than  
I play David, I'm a forth year letter man  
So Letterman can you hear me knocking on the door  
Hard to breathe at this altitude where the oxygen is  
poor  
Think Benz, I don't know what Pontiac means  
And this is what happens when an insomniac dreams

(Chorus)

We Chasin' the dream  
So what is life the diamonds and the gleam  
Get a job while I'm doing  
Promise to stay true in it  
Doin' it  
But promise to never let another soul ruin it  
And things ain't what it seem  
Make money to spend it  
I got my scheme  
Work hard while we doin' it  
Promise to stay true to it  
Doin' it  
But promise to never let another soul ruin it
