It's one fifty A.M., you know what I'm saying  
Niggas is gonna get this shit right, no matter what

Uh, Yeah, Uh, this year imma make more Gs, make  
more cheese

And I did sauce with Skateboard P  
Niggas is like " what kinda style is he?"  
Designed by all the best things in life are free  
I do this for my little brother, Lyvonte  
Bitch my flow 'picante' and this is just the entree  
Imma do what the fuck i want, Waka  
And if they say they nicer they sometimes they just  
Chaka?  
And it's cranberry vodka  
Hope these niggas don't disturb me  
And don't you touch my back if your fucking hands are  
dirty  
I'm up early

And I got racks on racks on racks and got plaques on  
plaques on plaques  
Tell them to just calm down and relax  
Then it's lights out like Hornacek, Jeff.  
Yes, pass me the torch I'm gonna carry it  
Catch me at the Marriot, an underground Harriet  
Prolly caught the sackerton?, I'll tell her mom what's  
happening  
I'll run all up in them laps we meeting like some track  
events  
school more, milk and sweat,  
broom, chores, itunes, tune chords, fit the kicks on my  
room floor  
I was there when Vain came, bro what's up with that  
name change?  
This shit is my main thing  
Aim aim Bang Bang  
That's wrong son, we the ones on now fuck it we on one  
She just wanna kick it, no harm done  
I can never stop it, I'm trending out my topic  
She make them other bitches hard to see - microscopic  
Yeah, nigga I got it

Xap, just drop it
