Yeah

Uh

We gettin' busy in the city

Lights look bright and the scenery is pretty

Tell Memphis I'm on my Grizzly Bear

My mixtape droppin' in two weeks

We get 'em sent to us, you coppin' them new sneaks

So exclusive, I used to think the gang was so elusive

Now they feel me like masseuses

I author it, Dr. Seuss it

You win some, you lose

That's the game for you

The truth hurts, all I did was ease the pain for you

And Chiddy, could you please give 'em illness?

I'm on the couch, interviewing Dr. Phil shit

It's the danger zone, I gotta hit the killswitch

On this pursuit of happiness, I play Will Smith

Or Cudi, my MGMT, so good that Gabe Saporta is my
buddy

And me on the pad is your doom

This is a big city, let the madness resume

And we go on and on

We goin' keep gettin' 'til the gettin' is gone

Yeah, yeah, here we go, here we go

[sample: The Notorious B.I.G.] And if you don't know,
now you know

And we go on and on

We goin' keep gettin' 'til the gettin' is gone

Hey, here we go, here we go

[sample: The Notorious B.I.G.] And if you don't know,
now you know

Here we go, here we go, uh

Yeah

Uh

Adiã³s to my haters

They tell me that you should always keep 'em closer
than neighbors, eh

50, your gamers, they tell me I got next

Paintin' pictures like your sneakers, there's nothing I
can't sketch
So colossal, and yeah, I'm feeling like Picasso
I say we got that good nose candy for your nostrils
I'm about my Frito-Lay
These rappers want to be Hov, they'll be DOA
And we okay
Healthy, but they say I have a sick grind
Prefer the money like my Mac player QuickTime
Makin' moves, can't let the hatin' scare me
You, on other hand, Hallmark stationary
What you runnin' fam, you could never understand
I excel in your career and dance through the running
man
And to the studio your girl could come
I am fresh off the bus, now I got a world to run

And we go on and on
We goin' keep gettin' 'til the gettin' is gone
Yeah, here we go, here we go
[sample: The Notorious B.I.G.] And if you don't know,
now you know

And we go on and on
We goin' keep gettin' 'til the gettin' is gone
Hey, here we go, here we go
[sample: The Notorious B.I.G.] And if you don't know,
now you know
