Love is all in my brain  
Paper all in my plastic  
Love is all in my brain  
Paper all in my plastic

I need them big stacks  
I eat a big mac  
The smoke is fruity  
Try to sue me cause I did that  
I got a zip on, in every zip code  
And I'ma trip though  
I'm on my ish, bro  
Stand up, stand up  
Yeah I'm bout to get grands up  
Lock it down, lock it down  
And I got your mixes on handcuffs  
But don't judge me, they like to love me  
Come from the hood, I need a house about the country  
Yeah, that's tasty, and I'm bout to get a cake like pastry  
I see my vision I'm thinking it's like HD  
But no wonder my heart stuck on AC, yeah  
I said we turned up and is it too loud  
Mama call you home  
We fin to move out, fly out, kencoon  
Abu dabi, same doom  
Ain't about the money homie I don't understand you  
Late night, grip trashed, but the house crashed  
Like it's pretty damaged  
One me, 2 hers, do the match, Chiddy sandwich

What's happening, I'm a party captain  
Pimping on a sandwich, I'ma need some napkins  
... done got me in traffic, that's when things get nasty  
Dirty's all in my brain, fin to get my paper and plastic  
What's happening, I'm a party captain  
Pimping on a sandwich, I'ma need some napkins  
... done got me in traffic, that's when things get nasty  
Dirty's all in my brain, fin to get my paper and plastic

I need that cash fly, I need that nast that  
I eat a sandwich out here, and pepper could you pass  
that

I'm bout to tat that, she got her backpack  
I gotta have that, just call me papi chulo

Oh hey captain, fresh lil guy I'm...  
Bout to go ham in the kitchen  
Ham in the kitchen, somebody grab a pen  
Yes sir could I have a hen  
Nuts always to the bet of a plan  
We fin to kill your browser man  
And my swell on 10 000 grand  
Adam Richman yeah homie that's the perfect move  
I'm the man, and all these rappers I'm versing fool  
... stage one, close the curtain too  
The grass is green and the earth is blue  
So I'ma make green and get a blue whip  
Yeah I be on my cool ish  
That's the Californian... by the pool ish  
Stake's off, roof griss, means that, too sick  
Live show, new kit, vacate, don't trip  
We ain't gonn slip

What's happening, I'm a party captain  
Pimping on a sandwich, I'ma need some napkins  
... done got me in traffic, that's when things get nasty  
Dirty's all in my brain, fin to get my paper and plastic  
What's happening, I'm a party captain  
Pimping on a sandwich, I'ma need some napkins  
... done got me in traffic, that's when things get nasty  
Dirty's all in my brain, fin to get my paper and plastic
