Yeah  
I said we back, yo  
Pro hasn't any peers  
Swelly meet me at the piers  
The flow cutting edge all I'm missin is some shears  
I got the game mirrored and it's closer than appears  
And most of you are local too. We artist of the year  
Wow, bragadocious  
Flow, hocus pocus, your plane been grounded and  
we're flyin like the lotus  
I'm an energizer, an enterpriser as known to rip beats  
on the synthesizer  
Ok, guy, you wanna play God, it's always sunny in Philly  
they see some grey skies  
Thank the Lord for my blessings like I was baptized  
Got the blackest thought shout to my reptize, yeah  
And it's the flow for the stadium, son  
They call me Chiddy, you probably heard me on radio  
one  
And this my clause, connected like coordinates, we are  
not the same, homie, you are my subordinate

Chorus:  
You know where he go?  
No, I don't think so  
You got a red light for your headlight so you think slow  
And me I just flow  
Another level well  
And if you're feelin me then let me hear your rebel yell  
Cuz he's a rebel

Shout to the labels that doubted me, now they out for  
me  
Married into this shit, now I feel like I need a dowry  
Purple plants that we happened to smell of, flower  
We crushing the competition  
Cuz cowardice is cowardly  
I'm moving on sun, now I'm the bomb, son  
If you don't like me then you probably on a long one  
And this the music they been dying to hear  
Was in Africa but I never seen no lions and bears  
Now I'm ridin the lair and I'm flying the car

My life is opposite, Thanks when you said I wasn't a star  
I been collecting and repping these artists are so  
upsettin  
Frat flow, I rush, they all get steppin  
Oh, feel like I'm good but the sun is evil, flow sick like  
Adam Sandler in Funny People  
And I should carry needles, cuz the cuts are lethal  
And I master my bars, you're just a paralegal

Chorus x 2:

You know where he go?  
No, I don't think so  
You got a red light for your headlight so you think slow  
And me I just flow  
Another level well  
And if you're feeling me then let me hear your rebel  
yell  
Cuz he's a rebel

Xaphoon  
Son, you crazy, dog  
Nah, you really crazy  
Yeah
