(sampling La Roux - Bulletproof and Major Lazer - Pon De Floor)

[Intro: La Roux sample]

This time I'll be bulletproof

This time I'll be bulletproof

[Verse 1:]

I know I'm always wrong

She gets mad cause I'm always gone

She want me at a school but they prob'ly can't afford us

Plus I traded in my room for a tour bus

Ms. Bulletproof, you're way cuter

And if you're bulletproof, can I be a shooter?

Yeah, this a red dot, I can make your bed rock

And hot teflon, save you from a headshot

Yeah, yeah, I just keep it candid

Man, you can't ever lose, Kansas

And you are just a piece of my canvas

Now I'm tryin' to find you, Atlantis

Let's just explore

Along these lines, let's contour

Magic shit, yeah, let's conjure

Cause it's show time for another encore

[Chorus:]

I'm a, I'm a shooter if she can be the one

I make her say hello make make make make her say

hello hello hell

I'm a, I'm a shooter if she can be the one

I make her say hello to my gun

[Verse 2:]

Rip this shit, spit that piff

This a free throw, no, I won't miss

And the guy's so lit, them haters gon' pull a tooth

And I'm a rocket launcher, Ms. Bulletproof

On track yeah you know I bring massacre

In the sheets, that's cardiovascular

But a shortie, and I know you ain't smashing her

And why the good stuff always seem bad for her?

Well, so swelly, I'm the best dawg
Flow ambient you get slept on
Try to dodge my bullets you need teflon
If a shortie Mobil, then I let her get on Exxon
She tellin' me that I'm gassed up
Just an opportunity she can't pass up
I'm Young Money make her BedRock
If she bulletproof I hit her with a headshot

[Chorus:]

I'm a, I'm a shooter if she can be the one
I make her say hello make make make make her say
hello hello hell
I'm a, I'm a shooter if she can be the one
I make her say hello to my gun
