Turn of the light
And take of all yo clothes
I want you to turn up the radio baby
And I want you to hop on my California king
You know it got water in it and shit right
I want you to make it bounce

[Verse 1]

Baby what would be the best move,
Do you in my guest room
Shorty let me bless u,
Show what the sex do
Yes dudes the best dude,
Trynna sex u, heard u got that grade A,
Come and let me test you.
I lay you down,
Let me show what that twin like.
Girl you say you sick,
Let me be yo medicine like.
Plus you say you been tihtg,
You aint had a fit right,
Bet I make you fell nice,
You aint had a hit like, this...

And shorty I don't miss,
One kiss make u drip
Baby lose your grip,
One stroke will have u soaked baby that's fasho,
And u say u wanna know,
So what the hell u waitin for.

[CHORUS (Ray-J)]

This is what we do,
We was in my bed, California King,
Me between your legs,
Lay you on my queen, or my twin instead.
Say you wanna know, how far we gonna go...

This is what we do,
We was in my bed, California King,

Me between your legs,
Lay you on my queen, or my twin instead.
Say you wanna know, how far we gonna go...

[Verse 2]

Will I give u that propa...
On a Fruitont or a rollout baby I am a monsta,
You be callin yo docta... you'll be screamin a lotta,
Nasty things they'll think I'm big the way you callin me

Baby I'm not ya daddy, I just give u that good.
But after some face I can give u that great.
We done that seven fifty nine,
And you be fein in that eight
You tell yo friends that you fine
But they know u can't wait.
Because u talkin about me like everyday,
And u tell them how we do it in like everyway.
So you say u wanna roll,
But first u gotta know
Just how far we gonna go,
What the hell u waitin for,

[CHORUS (Ray-J)]

We was in my bed, California King,
Me between your legs,
Lay you on my queen, or my twin instead.
Say you wanna know, how far we gonna go...

This is what we do,
We was in my bed, California King,
Me between your legs,
Lay you on my queen, or my twin instead.
Say you wanna know, how far we gonna go...

[Verse 3]

Bed so I can break u off,
Take it off, make it hard, make it soft,
My patience gone now let me rip them labels off.
Lay u cross this table cloth.
I been havin crazy thoughts bout bras and panties,
Hope they matchin me wit this blazer off,
Come here lemme blaze u off,
Yes babe I'm a major boss,
You'll be glad u paid the cost,
Now come here get yo major toss.
Fizzy boy amaze em all...
Invade the walls, and break em all,
I laid u down, I layed you out,

And now it's time to layy ya off...

[CHORUS (Ray-J)]

We was in my bed, California King,
Me between your legs,
Lay you on my queen, or my twin instead.
Say you wanna know, how far we gonna go...

This is what we do,
We was in my bed, California King,
Me between your legs,
Lay you on my queen, or my twin instead.
Say you wanna know, how far we gonna go...

Just get in my bed.
