I've been working, I've been working, working all day
? I had to play the ball and chain game
I've been doing? time, doing the 9 to 5, yeah
I've been given, given till I just can't?
I've been wondering, wondering what I'm doing this for
? to many place, ? yeah

I live through monday, I got to tuesday
I got wednesday, thursday, finally turning friday
Pick up your? tonight, bring on the weekend
Get off your ass, get on the floor
Fall for deep?

We gonna party tonight, we're going out of our minds
We're gona stay up until we see the daylight
Uh, day, yeah, day yeah, day yeah

Someone someone? someone someone got a?for
some?
Let's get up on our feet, swim down in the street, yeah
? to monday, we got to tuesday
Now wednesday, thursday, finally turning friday
Pick up your? tonight, bring on the weekend
Get off your ass, get on the floor
Fall for deep?

We gonna party tonight, we're going out of our minds
We're gona stay up until we see the daylight
Uh, day, yeah, day yeah, day yeah

We got the night, we go crazy
Gonna take this night and burn it down
? it's time to let it out

Pick up your? t, bring on the weekend
Get off your ass, get on the floor
Fall for deep?
Pick up your? t, bring on the weekend
Get off your ass, get on the floor
Fall for deep?
We gonna party tonight, we're going out of our minds

We're gona stay up until we see the daylight
Uh, day, yeah, day yeah, day yeah
Pick up your? t, bring on the weekend
Get off your ass, get on the floor
Fall for deep?
