Man we ridin candycars eating candybars naw i ain't
locked up behind bars man
This is lil flip of the screwed up click i'm the coe yeah
yall still come to
See me flow i shine so hard i glow in the dark. my
momma say damn boy it look
Like you got a star in yo mouth well momma that's
apart of being down south.
Yall still mad? well i feeling kinda glad. records going
gold and platium. man
I'm tatlented i got skillz that bet ain't even seen yet i
got a grill that damn
Near cost a mil. houston texas is where i live. but every
body know in houston
Candycars be our style

That's all i wanted to write lil flip i might help ya soon
then holla at me and
I write you and hole new album i got killz to dogg. lil
bebe
