if i could reach the stars,  
pull one down for you  
shine it on my heart  
so u could see the truth  
tht this love i hve inside  
is everything it seems  
but for now i find,  
its only in my dreams

Ch: that i can change the world  
i would b ur sunlight n ur universe  
n u would think my love is realy something, baby  
if i could change the world.

if i could be king,  
evn for a day  
i'd take u as my queen  
i'd have th whole world waiting  
in the love  
in this kingdom remain, baby  
til then il b a fool  
wishin for, wishin for the day

Ch: that i can change the world  
i would b ur sunlight n ur universe  
n u would think my love is realy something, baby  
if i could change the world.
