And I walk with a limp

I'm rich (I'm rich), you po' (you po')  
Now you know, it's time to hit the block and grind  
I pimp (I pimp), I ball (I ball)  
And twenty's how I crawl  
Can't stop a nigga in his prime

[Lil' Flip]

Now I was in Washington at the playas ball  
Every pimp was there yeh in gator's and all  
I had to fade 'em all I had to pop my collar  
Valet my car yeh I'm in the drop Impala  
You got to swallow if you givin' me brain  
I'm goin' for the chart don't be givin' me pain  
You can get in the car don't touch shit in the car  
Do this, get on that plane put this brick in ya bra  
Come back, bring me the change in a hundred stacks  
Cause you know how we do it when we makin' that  
I'ma gi' you your cut and you gon' gi' me my shit  
And that's the way we do it now I'm in the lab droppin'  
hits

Undergrounds get me paid, shows I'm on stage  
Hoes go in a rage when they see me on stage
