say that you never meant that  
before i believe in you today  
its impossible that your feeling for me baby  
the same way, the same way so take it back  
remember i told you from the start  
so im gunna leave here wiht a broken heart  
ill promise i will not forgive you  
i guess you were just that cold ohh

her people, her people, and you should know  
cuz all you've done is lead me on to let me fall

get away from me  
let me (??)  
just leave me be  
cuz her people, her people

yeah see i knew you wasnt all there  
but i still didnt care cuz i thought i could turn on your  
life  
your life your whole life  
you pushed me away and it hurts like hell  
i love you more then you love yourself  
dont say that you'll throw it away  
(??)

her people, her people, and you should know  
all you've done is lead me on to let me fall

get away from me  
let me (??)  
just leave me be  
cuz her people, her people  
her people, her people

i dont wanna cry for you anymore  
i was fine before i met you  
ohh how could you do this to me  
(??) desprate  
my heart was spinning on fate ?  
(??)

her people, her people, you should know  
cuz all you've done is lead me on to let me fall

get away from me  
let me (??)  
just leave me be  
cuz her people, her people

cuz her people, her people  
i should've known
