Through the night, in the crowd  
Like a knight, you stood out gleaming,  
Bright  
Was your style  
Saw your smile  
So I made my way over to you  
So coniving  
Wanted you to turn me out  
So I bumped into you to turn around  
So exciting, you couldn't hide  
I could tell  
I felt it did some h-h-how

In the blink, blink of an eye  
I turned my back and you were gone, baby  
Just like a thief, a thief of the night  
Stole my heart, right here on the dancefloor  
I-I-I don't care if you just met someone else, I found you  
first  
He-He-He might be sexy, but you're mine, oh well  
Tell her I found you first  
T-T-T-Tell her I found you first

There you go, watch me run  
I'm a have to break you two up  
From having fun, 'cause I wasn't done  
And besides, for tonight, he's taken  
Living reckless, wanna see you shirtless  
Yes, come on make me sweat, I look better wet  
No defenses, possibilities endless  
Can't let you out of my sight

Cause tonight is my turn[? ]

In the blink, blink of an eye  
I turned my back and you were gone, baby  
Just like a thief, a thief of the night  
Stole my heart, right here on the dancefloor  
I-I-I don't care if you just met someone else, I found you  
first  
He-He-He might be sexy, but you're mine, oh well  
Tell her I found you first

Sorry ladies, but the final dance is taken  
He had you mistaken (Uh Oh, Uh oh oh)  
Guess he just forgot to mention I'm his lady  
Babe, for tonight [? ]

In the blink, blink of an eye  
I turned my back and you were gone, baby  
Just like a thief, a thief of the night  
Stole my heart, right here on the dancefloor  
I-I-I don't care if you just met someone else, I found you  
first  
He-He-He might be sexy, but you're mine, oh well  
Tell her I found you first  
Tell her I found you first  
Tell her I found you first  
Tell her I found you first  
Tell her I found you first
