I see it in your eyes  
I hear your heart beating  
You're wondering if i'm like those other guys  
Scared that you might be playing with fire  
You're falling and baby it burns  
Too late, to try to go and change the tempo  
Too late, we in this, don't put us in limbo  
I'm not anyone else you may have known  
Trust me girl you can let go

You don't have to read my mind baby  
You don't have to wonder how i'm feeling  
You don't have to read my mind baby  
I'm already yours, yours, yours  
I'm already y-or, or, or, or, or, or,  
(you don't have to read my mind) y-or, or, yours  
Y-or, or, or, or, or, or,  
(you don't have to read my mind) y-or, or, yours  
Y-or, or, or, or, or, or,  
(you don't have to read my mind) y-or, or, yours  
Y-or, or, or, or, or, or,  
(you don't have to read my mind) y-or, or, yours  
You don't have to read my mind

Look at the signs i know you can hear it  
Melody, (?) Are singing for you  
Hands in the sky, you're safe to surrender  
Live in the moment and try something new  
Too late, to try to go and change the tempo  
Too late, we in this, don't put us in limbo  
I'm not anyone else you may have known  
Trust me girl you can let go

You don't have to read my mind baby  
You don't have to wonder how i'm feeling  
You don't have to read my mind baby  
I'm already yours, yours, yours  
I'm already y-or, or, or, or, or, or,  
(you don't have to read my mind) y-or, or, yours  
Y-or, or, or, or, or, or,  
(you don't have to read my mind) y-or, or, yours

Y-or, or, or, or, or, or,  
(you don't have to read my mind) y-or, or, yours  
Y-or, or, or, or, or, or,  
(you don't have to read my mind) y-or, or, yours  
You don't have to read my mind
