Oh Yeah! (6x)  
Remember when you said  
We could talk about whatever  
Well here I am now  
And am faced with this dilemma  
Got a skip in my heart  
Is that the way that how you felt  
When you first saw mama  
First saw mama  
T-t-tell me about your first date  
Did you kissed her first  
How did you approached it  
Can you put it into words  
Got me going so hard  
Don't laugh at this  
Take me serious  
This girl is so serious  
She got me so delirious

Papa I think Im in love  
With the girl next door  
Cant hide this feeling  
I need a little advice  
Can you tell me how to  
Make her want me  
Cause its an emergency  
Don't want no one else  
To take her from me  
Oooh I need a little advice  
Can you tell me how to  
Make her want me

Oooh I get so tongue tide  
Every time he smiles  
Im scare he hears  
My heart beat so loud  
I turn around  
Im doing little things

Like my hair and my make up  
to make him notice  
does he want this

If I get a first date  
Should I kiss him first  
Why wont he approach me  
And just fill up the nerves  
Got me going so hard  
Don't laugh at this  
Take me serious  
Oh this boy is serious  
He got me so delirious

Oh Mama I think Im in love  
With the boy next door  
Cant hide this feeling  
I need a little advice  
Can you tell me how to  
Make him want me  
Cause its an emergency  
Don't want no one else  
To take him from me  
Oooh I need a little advice  
Can you tell me how to  
Make him want me

Im bout to step my game up  
Im gonna wear my best dress  
Imma take a risk  
Hope that I don't get rejected  
I wanna lock her down yeah  
Wanna lock him down too  
(both) My heart belongs to you  
My love

Oh yeah (4x)

This is the sound  
Sound of love (2x)  
Fallin in love  
(4x)
