(YeaYeaaah... Yeaah...)

We thought of different ways
To relight the fire
Worked a few times before
Lil' we know
It was only half the battle
It was way more to endure
Agreed to never stop
And go the distance
Love without a heart
That flowing feeling
On an air balloon just
Ain't there between us

The sand in our hourglass has
Fell through for us
We just can't seem to forget this
Forget that touch
Like the sun in the sky
It burns deep when I look in your eyes
I can't face you and say goodbye
It's never easy

[Chorus]

So I'll just send you a postcard
By the time you receive it
I bet I'm on your 'hate you' list
Send you a postcard
Hope you can read it
Cuz my teardrops ran and blurred the ink
Send it on a postcard
Give it a shot
My mind is sure
But my heart is not
This is so hard, to be so far
P.S. with a lipstick kiss
Send it on a postcard

So keep telling each other
It will get better

But I still feel the weight
It's heavy on my brain
Like a thousand tons of
Falling hail, it rained
The miles we went to get
Is up a twister
Now would that get it again
The wind's too strong to hold us any longer
When you told her it's over

The sand in our hourglass has
Fell through for us
We just can't seem to forget this
Forget that touch
Like the sun in the sky
It burns deep when I look in your eyes
I can't face you and say goodbye
It's never easy

[Chorus]

So I'll just send you a postcard
By the time you receive it
I bet I'm on your 'hate you' list
Send it on a postcard
Hope you can read it
Cuz my teardrops ran and blurred the ink
Send it on a postcard
Give it a shot
My mind is sure
But my heart is not
This is so hard, to be so far
P.S. with a lipstick kiss
Send it on a postcard

[Chorus]

I want you to know
When the plane took off
I was wishing that I had a parachute
Cuz there was one side of my head
Screaming feelings of regret
Then I saw the truth
We can start over new
You know what comes next
Where we two
We make the same u-turn
That led us both stranded here

[Chorus]

So I'll just send you a postcard
By the time you receive it
I bet I'm on your 'hate you' list
Send it on a postcard
Hope you can read it
Cuz my teardrops ran and blurred the ink
Send it on a postcard
Give it a shot
My mind is sure
But my heart is not
This is so hard, to be so far
P.S. with a lipstick kiss
Send it on a postcard

Oh, no no no, I'll
Send it on a postcard
Yes, I know I was kinda wrong
Send it on a postcard
Send it on a postcard
Cuz I couldn't look at you
And tell you it's over, no
