Tell me why (girl)
Are you tryin to escape
Tryna follow all your feelings inside (girl)
You might as well just give in
Cause I'm not about to pass you by
So listen to your heart, it won't lie
And I know you feel the magic so right
Baby, don't have a doubt
Cause I know I ain't nothin like him, no

[Chorus:]
Don't let him stand in our way
Cause you know where this is goin
Too light to put away [?]
Don't be scared, I'm here to stay
So baby, don't you worry
Cause today is a new day
Wanna keep you smilin
Treat you how he should have
I promise I'll
Never turn my back and
Let you down so
Don't let him stand in our way
Stand in our way
I'm nothing like him
So give your pain all to me
Don't let him stand in our way
Stand in our way
I'm nothing like him
So give your pain all to me
Don't let him stand in our way

I wish that I (girl)
Could go into your mind
Erase all the memories
Of you cryin (girl)
And replace them with kisses
And gifts, all the things you like
Truth is he wasn't worth your time
But you needed someone by your side
Who was willing to love you completely
Baby, that's me

[Chorus x2]
