Verse 1

You can find me in the club with my hat to the back

Crackin a mag or probly rappin a set

Lookin at shorty with the fatty mean

That chick is bad

She kinda fire, and I'm tryna see what's happenin wit
that

She's hot as the sun

She lean, rock to the drums

Jimmy Choo's on her shoes, jeans House of Dureon

If we hop in the torque

Breeze out and enjoy it

She can't acknowledge ya, yall

'cause you ain't hot as the boy they call Fizzy

The one that pour Crissy

The boy to call, sittin at the bar all tipsy

I got a frost pinky and it probly cost 50

I don't wait for tonight i'm in the club raw dizzy

Now pimpin I keep it basic

Cute small waist and you seen your daughter lately

I got her goin crazy

She call me her baby and I ain't even blaze yet, amazin

And out the B2K shit, guess who her favorite

Hook {Missez}

When I'm off in the club I be sip

Sippin on some

Sip, sip, sippin on some

On some do it to 'em fluid

If he wanna touch my butt

I'm, I'ma let him

I'm, I'm, I'm I'ma let him

I'm, I'm, I'm, I'm I'ma let him do it

(repeat)

Verse 2

See now i'm lookin for a PYT to come and see bout me

I do it B-I-G, and I don't need I'd
Now we dancin, shorty workin
Tryna see how I be
I'm a very important person, so I'm VIP
Now I tryed and couldn't wait
'cause mami like to shake
Her thighs and little waist
And move her body like a snake
She fine and fly shape
Her turn ya mind blank
Ma straight, top 8
Check her out on MySpace
Her man hatin, I bet he would
'cause I'm in every hood
Hittin all the Megan Goode's
Right, and even better
I be in Atlanta
Green Phantom, eatin dinner wit Ciara (woah)
And I'm a club vision
You know I love women
I had the broads trippin
Cardi had 'em fluid sippin
And we had fun til daylight come
Before we leave, make sure the DJ play that song

Hook

Bridge {Missez}
Oh, homie I ain't even playin
Don't you hear what I'm sayin
Why you all up in my face
Talk, talk, talkin slow
When I'm gone off that fluid
Ain't really thinkin bout you
You should let it, I-let it go
(repeat)

Hook

{Fizz Talking}
Yeah! I'm back!
It's been 2 years!
But your favorite is here
Gotta love him, ladies

Uh, don't be mad at this one
Don't screw ya face up
Just rock
Yeah! Fo Reel!
