what you know about the automalls crome best no frost
low key when i floss a nigga couldnt guess the cost
and if u gotta ask you prolly cant afford it
aint about ya cash then you prolly should ignore this
this is for my hustlas in the bentlys, the porches
bapestas, tha jordans, fresh white forces
or if your born in the hood but you aint on that poor shit
got sum but bout to get some more shit
thats right go hard on em i pull up baby lookin like a
star on them
i get drunk for the club close the bar on em
im chipped up ill just gon buy the bar homie
please dont be alarmed by me
some like to make it rain i make it storm on em
spent a hundred on the chain no charm on it
and i aint even got my gaurd on me
bcus i go hard

what you know about a hundred on the chain
50 on the wrist, 20 on the ring
designer on my frame, 20 on the range
and i aint even stuntin this is jus another day i go hard

go hard
go hard
go hard
everyday i go hard
go hard
go hard
go hard
go hard on em
