(feat. Bobby Valentino)

[Chorus:]

Tears rolling down your face
Girl I got the answer let me take them away
Why you got them tears rolling down your face
Girl I got the answer let me take them away

[Verse 1:]

I remember when I met you,
Thinking you was special,
How did I let you ever slip by,
Then get wit that guy,
Now you aint been happy since that guy,
Now I don't know who convinced you to even kiss that
guy,
Man you shouldn't even miss that guy, he don't
deserve you,
And he aint fresh to death rockin' them purples,
Whippin in that new 5 50 cent color purple,
So where he get off thinking he can hurt you,
Out being a flirt, but ma Imma flirt too,
But what I wont do is cheat on you,
Just take you to the mall and blow a g on you,
And how you was on him, Imma be on you,
See that chain on him, it can be on you,
Aint no limit when I'm loving you,
But you scared of a real nigga loving you,
I understand

[Chorus:]

Tears rolling down your face
Girl I got the answer let me take them away
Why you got them tears rolling down your face
Girl I got the answer let me take them away

[Verse 2:]

You know they say mo money mo problems baby,
I got money, so you should help me solve them baby,
It's not funny, ballin's exhausting baby,
I'll do it all for you lady, I'm a mess, so just come
through,

Change the way I dress,
Cause I got no problem with changing your address,
Writing you a check, getting you used to the west,
Put your feelings for dude to the left, ma,
I gotta extra room and a key, got a groove and a video,
It's all overseas, and girl it's all yours just as soon as
you leave,
The sooner we leave it's cooler for me,
I got reservations for 2 by the beach, new matching
boots,
Imma do it to a ease, how 'bout 4 kids, 2 of you, 2 of
me,
So whenever you start over, you can do it wit me

[Chorus:]

Tears rolling down your face
Girl I got the answer let me take them away
Why you got them tears rolling down your face
Girl I got the answer let me take them away

[Verse 3:]

Now how 'bout you come wit me on a cruise for 2,
Whatever ocean you choose to cruise,
All you gotta do is lose the dude who be using and
abusing you,
Then roll wit the truest dude, ma,
You'll be sitting on the dock of the bay,
Girl I'll take you home unless your opping to stay,
But damn what more can I possibly say,
But Imma chill and just let Bobby do his thing like...

[Chorus: x3]

Tears rolling down your face
Girl I got the answer let me take them away
Why you got them tears rolling down your face
Girl I got the answer let me take them away
