DJ Paul, Juicy J productions  
Hypnotize Minds, shut da fuck up  
Let's do it nigga, pay attention

Bring it back, bring it back  
Bring it back, bring it back  
Bring it back, bring it back  
Bring it back, bring it back

Now if I front you a O  
And once you make all ya dough  
And if you steal from me nigga  
'Cause my homies kill for me nigga

We'll cut off ya head, duct tape it to ya leg  
And yo partners can get it too  
Now they pumpin' on his chest  
'Cause they tryin' to bring 'em back

I told ya nigga you supposed to bring a Gat  
But that's what you get when you talk behind my back  
So tell my foes they can get it anytime  
'Cause when I'm on dat shit yeah, I got it on my mind,  
here we go

3 2 1 go  
I'mma let you know deez rap niggas hoes  
Look you don't wanna fight 'cause I'll break yo shit  
And you don't want drama wit da Clover G click, yea

3 2 1 go  
I'mma let you know deez rap niggas hoes  
Look you don't wanna fight 'cause I'll break yo shit  
And you don't want drama wit da Ice Slick click, yea

See nigga dis dope is cutless  
Flip my knife, it's a black cutless  
Shady paint wit da quarter top rags  
Gotta for cheap, but we can't brag

Hataz playin' but they better have a plan B  
I got a glock every time that they see me

And I'ma buss till my clips outta business  
And there won't till I down all the witness

See I'mma do you bitches clean by da book  
Wit no murder weapons or talkers that are no good  
See I ain't no troublemaker just like to smoke bud  
But you Prisseys wannabe's got me misunderstood

3 2 1 go  
I'mma let you know deez rap niggas hoes  
Look you don't wanna fight 'cause I'll break yo shit  
And you don't want drama wit da Clover G click, yea

3 2 1 go  
I'mma let you know deez rap niggas hoes  
Look you don't wanna fight 'cause I'll break yo shit  
And you don't want drama wit da Ice Slick click, yea

When we make a little G's den deez niggas start to  
hate  
For just rappin' or jackin' or D pushin' weight  
Don't get made at the juice 'cause I hustle till it's late  
And you sober passed out wit yo face in a plate

Heard you never get no pussy so you holdin' down  
brake  
Ridin' round in rental cars like you head of the state  
Tryin' to cut niggas deals in da trunk he got da baken  
Soda I thought I told ya he'll get ya 'cause he fake

Since I rap don't be thinkin', I can't leave yo body  
stankin'  
Yes we do a lot of drugs and whole lot of drinkin'  
In dis business yeah it's gangstas but dis hatin' I'm  
gonna finish  
Hit you in fuckin' mouth and send you back to the  
dentist

3 2 1 go  
I'mma let you know deez rap niggas hoes  
Look you don't wanna fight 'cause I'll break yo shit  
And you don't want drama wit da Clover G click, yea

3 2 1 go  
I'mma let you know deez rap niggas hoes  
Look you don't wanna fight 'cause I'll break yo shit  
And you don't want drama wit da Ice Slick click yea
