I got a brand new Mac, I hope this bitch don't jam
I had to bulletproof the Lam, I learned that from Cam
You want a thang, got 'em yams go straight to
MoneyGram
I'm from the hood so you know I'm down wit' any
money scam

Black glocks, white glocks spit like sheet rock
You know a drank on me, this concert gon' stop
A lot of cops at the scene tryin' to shut shit down
You was a nobody but now you famous now

I be out in chi-town wit' some real OG's
Matter of fact one of them had dinner wit' me
You gotta play by the rules when you on these streets
You lil' niggas tryin' to mimic what you seein' on beef,
you better

Bustacrip, bustacrip, yeah
Bustacrip, bustacrip, yeah
Bustacrip, bustacrip
(What my gangster said)
Bustacrip, bustacrip
(What my gangster said, let's do it)

Bustacrip, bustacrip, yeah
Bustacrip, bustacrip, yeah
Bustacrip, bustacrip
(I can't deny it, I'm a straight rider)
Bustacrip, bustacrip
(You don't wanna beef wit' me)

I know some Long Beach Crips, I know some
Englewood Bloods
And you can ask Billy fans, I got Cali love
I got a strap waitin' for me everytime I land
And just to send you a message, I'll clap your man

Now he under white sheets like the Klu Klux Klan
You lil' boys shouldn't beef wit' a grown ass man
I got stripes in the hood, I put in work fo' real
And mentioning me will get you put in dirt fo' real

On that gramma, yeah, bitch, you carry weight
'Cause I'm on this Alize and I carry cake
I came back to the streets, I had to let y'all know
And by the way my new deal worth 8.4 so I'mma

Bustacrip, bustacrip, yeah
Bustacrip, bustacrip, yeah
Bustacrip, bustacrip
(What my gangster said)
Bustacrip, bustacrip
(What my gangster said, let's go)

Bustacrip, bustacrip, yeah
Bustacrip, bustacrip
(I'm strapped nigga, I'm strapped nigga)
Bustacrip, bustacrip, yeah
(I'm strapped nigga, what about you?)

This for my Nap-town niggas, all my G-town killas
The ones wit' the blow and them 18 wheelers
Cross the state lines wit' it on them waist line cocked
Cross lope and you know it's goin' down

40 cal, 50 cal, what you workin' wit', nigga?
I'm in a Maserati, what you swervin' in, nigga?

And when I'm out in Cleveland, I'm fuckin' wit' X
It's been 'bout 5 years, he still holdin' my tech

I be in the gun range like everyday
You better pray no drama ever come my way
I'm in the studio now wit' a gun on my hip
And I'm tired of talkin' 'bout the beef wit' me and you
betta

Bustaclick, bustaclick, yeah
Bustaclick, bustaclick, yeah
Bustaclick, bustaclick, yeah
Bustaclick, bustaclick
(What my gangster said)

(We bust a clip everyday)
Bustaclick, bustaclick
(You know what it is)
Bustaclick, bustaclick
(I do what I wanna do, nigga)

When I feel like it, nigga
A track and production's on the muthafuckin' track
Full effect is the muthafuckin' future, nigga
Cross them, niggas, I shoot you, nigga

Bustaclick, bustaclick
(And any nigga)
Bustaclick, bustaclick
(Who got a gun and a chain, nigga)
Bustaclick, bustaclick
(And that dough, that's a true D-boy)
Bustaclick, bustaclick
(Can't be a dope boy without a gun and a chain)

Bustaclick, bustaclick
(Make sure you got them extra clips, nigga)
Bustaclick, bustaclick
