Yeah, play and skillz, just let it bang
Na'm sayin' ha ha, feelin' it
Yeah I'm feelin' this one
We talkin' bout music
Pay attention, listen up 'cuz I

I rock and roll, this is how a glock explode
My music is like crack 'cuz I rock the shows
You got to know that can't nobody stop my flow
My concert's like drugz, 'cuz fans got to go

I rock and roll, this is how a glock explode
My music is like crack, 'cuz I rock the shows
You got to know that an't nobody stop my flow
My concert's like drugz, 'cuz fans got to go

I'm like crack, whenever I perform on a track
'Cuz if you from outta town you about to get taxed
And that's that, I ain't changin' my price for nobody
You can keep them points 'cuz you ain't gon' sell four
cotties
'Cuz ya style too sloppy, ya beats ain't knockin'
And when you in public, them freaks ain't boppin'

My 6-4 hoppin' when I'm ridin' down the street
I still feel like I'm hustlin' why? 'Cuz I'm raw with these
beats
You can put me on a plane or put me on a train
'Cuz no matter where I perform they understand my
slang
They understand my pain and how I took over the
game
From this day on, rap'll never be the same

I rock and roll, this is how a glock explode
My music is like crack 'cuz I rock the shows
You got to know that can't nobody stop my flow
My concert's like drugz, 'cuz fans got to go

I rock and roll, this is how a glock explode
My music is like crack 'cuz I rock the shows
You got to know that can't nobody stop my flow

My concert's like drugz, 'cuz fans got to go

I need 25 a show, I need 30 for a verse
Them video's on BET, yeah I know how much I'm worth
How much? I'm worth a lot, 'cuz I really work a lot
And since Will Lean my nigga, I gotta help him out
So I'ma put him out man, so nigga kick ya feet up
And when the stores sell out then it's time to re up

So keep yo D up, 'cuz we comin' with the heat man
And if you get a deal make sure yo' niggaz eat man
And to my fans, I appreciate the love
So holla at ya boy when I'm at the club
'Cuz I ain't Hollywood, I'm from the Hollyhood
The difference between me and them, my music good

I rock and roll, this is how a glock explode
My music is like crack 'cuz I rock the shows
You got to know that can't nobody stop my flow
My concert's like drugz, 'cuz fans got to go

I rock and roll, this is how a glock explode
My music is like crack 'cuz I rock the shows
You got to know that can't nobody stop my flow
My concert's like drugz, 'cuz fans got to go

Ha ha, ya we flippin' these tracks like crack
Y'all niggaz tryin' to double y'all money
Nigga I'm tryin' to triple my stacks
Ya play 'n skillz on the track, yea Lil' Flip'll spit it fast
Ha ha ha ya, let's go to the next track man
They ain't ready for this type of shit
We ahead of y'all niggaz man, you know what I mean
Shit, you could put this album out 10 years later
And it'll still sell more records than you now, ha ha
bitch
