We got that green stuff, Big Tite
Lil' Flip the Leprechaun, Slim Thug the Boss Hogg
Fin to put it all in y'all face

I got too much money, too much cash
I bought a new Lac and put it on chrome
Without touching my stash
Like Lil Flip I can do that, Excursion candy blue that
22 that, pounds of dro I done blew that

You should of knew that, the Slim Thug gon shine
My ear rings cost a dime, I read Rolex Times
I'm top of the line, you can tell when I open my mouth
I bet nobody got mo' princess cut teeth, than the Boss

Open your mouth up you lost, I'm blinding these boys
I'm joining rocks in your blocks, in candy blue toys
Talking noise, 'cause I ain't old enough to drink
But I got mo' cash to last, than your daddy in the bank

I'm top rank, Slim Thug gon talk the talk
Walk the walk, we can bet ball for ball
We some paid young G's, with too much cash
Too much flow and do', talking too much trash, ha

Too much money, too much cash
All y'all haters can kiss our ass
We got too much money, too much cash
All y'all haters can kiss our ass

Too much money, too much cash
All y'all haters can kiss our ass
We got too much money, too much cash
All y'all haters can kiss our ass

Too much money is what I got
Like Scarface I rap a lot
S-Type Jag straight off the lot
Believe me dog I'm really hot

I'm swanging 4's and thinking thoed
Banging hoes and changing clothes

Smoking dro and doing shows
Paper stack can never fold

I bought the car and I bought the house
I represent the Dirty South
Got more syrup than Waffle House
Run through hoes like Marshall Faulk

I talk the talk and walk the walk, 'cause nigga I'm a G
Lil Flip is who I be, I know your gal know me
'Cause I wear a Roley, that look like a snowman
And I push a Jag, you just gotta see it man

I'm sitting on Dubs, kinda like a blank tape
You see them rocks in my teeth, ain't none of 'em fake
Give me a break, you think I'm lying or something
I'm at the mall with your hoe and she buying me
something
I'm a young pimp, with a whole lot of cash
And y'all haters, y'all can kiss our ass

Too much money, too much cash
All y'all haters can kiss our ass
We got too much money, too much cash
All y'all haters can kiss our ass

Too much money, too much cash
All y'all haters can kiss our ass
We got too much money, too much cash
All y'all haters can kiss our ass

I got too much M O N E Y
Anything I S E E, I B U Y
Pull a Bentley off the lot and ran that thang in the wall
We throw Crys in the air laugh and watch it fall

Watch me ball, as the Dub spin like a top
I got crunk when I stopped, and made my pop trunk
wop
Girls bop, automatic 'cause I'm top of the line
I cut my beep past six and I raise the top of your spine

I'ma shine, Sucka Free, Boss Hogg in a row
You can catch me fresh and braided or rugged and fro
You see the Spre's on the car, I bet you my people like
the rock
When girls see Tite, Flip and Slim they say pulling
cameras out

Damn I'm hot, when I hit the club I'm bound to line to
the bar

And for the first hundred people, I'm insuring they car
Attracting your star, 'cause nigga my piece attracting
your car
We got too much green and that's real by far

Too much money, too much cash
All y'all haters can kiss our ass
We got too much money, too much cash
All y'all haters can kiss our ass

Too much money, too much cash
All y'all haters can kiss our ass
We got too much money, too much cash
All y'all haters can kiss our ass
