Naughty Girl (Remix)

[Lil' Flip talking]

Ladies and gentlemen!

This is the remix, Houston's finest

Lil' Flip, Beyonce holla at 'em

[Lil' Flip]

Posted up in the back of the party girl

'cause I don't wanna good girl, I wanna naughty girl

I like ya style and ya body girl

And we can leave the spot in my Mazarazi girl

anything you need I got it girl

cause I'm connected my game perfected

I'm reppin Texas everytime I spitt

this ain't a one night stand I wanna make you my chick

(yea)

[Beyonce]

I'm feelin sexy I wanna hear you say my name boy

If you can reach me

You can feel my burning flame

I'm feelin kind of n-a-s-t-y

I just might take you home with me

baby the minute I feel you're energy

you're vibe's just taken over me

start feelin' so crazy babe

I feel the funk coming over me

I don't know what's gotten into me

The rhythms got me feelin' so crazy babe

[Chorus: Beyonce]

Tonight I'll be you're naughty girl

I'm callin all my girls

we gonna turn this party out

I know you want my body

Tonight I'll be your naughty girl

I'm callin all my girls

I see you look me up and down

And I came to party

[Beyonce]

You're sexy tonight I am all yours boy
The way you're body moves across the floor
You got me feelin kind of n-a-s-t-y
I just might take you home with me
baby the minute I feel you're energy
The vibe's just taken over me
start feelin' so crazy babe
I feel the funk coming over me
I don't know whats gotten into me
The rhythm's got me feelin so crazy babe

[Chorus]

[Beyonce]

I love to love you baby
I love to love you baby
I love to love you baby
I love to love you baby

[Lil' Flip]

I'm a tell you what I like, you can tell me what you like
'cause it ain't no thing for me to book you a flight(Uh)
or better yet we can charter a jet
I'll take you to foreign countries that you ain't been
yet(Uh)
after a month I know ya feelings gettin stronger
'cause when we on the phone now we conversate
longer
You know I want ya, I ain't playin wit ya mind
I just wanna spend time, if that's cool
I'm fighting Temptations cause ain't nobody like you
I like ya belly ring and that cute tattoo
I make moves like the boss on the low
so holla at Lil' Flip when you ready to roll (woah!)

[Chorus - repeat to end]
