[Lil' Flip]

On the southside, cornbread ??????
so pull out your escalades and your black camaro's
gotta double barrel, if a nigga wanna jack
cause he like the way my rims spinnin' on the northstar
'lac
have you had a cataract? then you haven't seen my
chain.
have you ever read a magazine where you haven't
seen my name?
i'm the king with the fame
look at the rings, and the chain
i got screens in my range, and these hoes givin' me
brains
so these hoes call me smart, cause i'm always gettin'
head
and i'm always ridin' black with candy paint that switch
to red
if it's dark or if it's day
got the muthafucken hay
If i see the HPD, I'ma go the other way
cause you know i'm always smokin'
and my 84's pokin'
and i had to get ridda that coke an,
i'm used to rap bitches jokin'
these nigga's hate me, you betta leave us alone
cause the southside of H-Town is our home

[Chorus]

I'm a southsider, candy paint rider
I stunt like macgyver on 20 inch gliders
I'm a southsider, candy paint rider
I stunt like macgyver on 20 inch gliders
