Howdy partners, welcome to Houston, Texas
The home of the candy paint, the Houston Oilers
Whoops their gone, and suckafree
Goddamn it, get on my V12 motor and vroom, vroom

I like the bling bling of my choppers
I got me a ranch and 4 horse, 'cause I'm a baller
I'm a Texas boy, you know what I'm talking about

Now what you know about hustlers bumrushing the club
doors
Sneaking in with a snub nose and extra drug hoes
Now what you know about us, we make a grill start
grinnin'
Any place we go you know we parkin' lot pimpin'

What you know about ridin' on Bentley bikes
And a chain with no ice is an empty site
What you know about Texas we spit this slang
Dirty South side Redd know how to get this change

What you know about iceberg with Snoopy on it
Check out my driveway nigga the Lex coupe be on it
What you know about rappin' and platinum plaques
Signed a deal ain't nothin' left after that

Now what you know about whores, yellows and
redbones
Especially when they all in your ear like headphones
What you know about rippin' up the microphone
Or hustlin' 'til them red and blue lights come on

Now what you know about thuggin', hanging on street
corners
We watch your every move fittin' to creep up on you
Now what you know about the south, we do what we do
Take over dope spots and run with a group

Yeah, what you know about them Texas boys
V12 motors and Lexus toys
What you know about the dirty south

Baguettes and princess cuts in our mouth

What you know about that candy paint
We smoke top flight and we drink
What you know about the dirty south
You a bad motha, shh, boy shut your mouth

What you know about acting bad, flossin' prowlers
I got seven DVDs I'm watchin' Austin Powers
What you know about wearin' Cardier eye glasses
Diamonds in your face just like eye lashes

And what you know about the Astrodome
What you know about a sprint and a prime co-phone
What you know about eating fish and gritz
Can I have some toilet paper 'cause this the shit

What you know about having a pretty grill
Blue Benz, new fins on pretty wheels
What you know about the Kappa beach party
I got a full tank like a Master P artist

What you know about them niggaz in suckafree
We got Prowlers, Impalas, and Lex bubble jeeps
What you know about, club connections
Or fightin' a case for drug possession

What you know about the screwed up click
I got niggaz mad at me 'cause I blew up quick
What you know about Rolex invisible set
I got on a big chain, but I got a little neck

Yeah, what you know about them Texas boys
V12 motors and Lexus toys
What you know about the dirty south
Baguettes and princess cuts in our mouth

What you know about that candy paint
We smoke top flight and we drink
What you know about the dirty south
You a bad motha, shh, boy shut your mouth
