Howdy partners? Welcome to Houston, Texas  
The home of the candy paint, the Houston Oilers  
Whoops they're gone and suckafree  
Goddammit, get on my V12 motor and vroom, vroom

I like the bling bling of my choppers  
I got me a ranch and 4 horse 'cause I'm a baller  
I'm a Texas boy, you know what I'm talking about?

Now, what you know about hustlers bumrushing the  
club doors  
Sneaking in with a snub nose and extra drug hoes?  
1110  
Now, what you know about us? We make a grill start  
grinnin'  
Any place we go you know we parkin' lot pimpin'

What you know about rindin' on Bentley bikes  
And a chain with no ice is an empty site?  
What you know about Texas we spit this slang?  
Dirty Southside Redd know how to get this change

What you know about iceberg with snoopy on it?  
Check out my driveway, nigga, the Lex coupe be on it  
What you know about rappin' and platinum plaques?  
Signed a deal ain't nothin' left after that

Now, what you know about whores, yellows and red  
bones  
Especially when they all in your ear like headphones?  
What you know about rippin' up the microphone  
Or hustlin' 'til them red and blue lights come on?

Now, what you know about thuggin', hanging on street  
corners?  
We watch your every move fittin' to creep up on you  
Now, what you know about the South? We do what we  
do  
Take over dope spots and run with a group

Yeah, what you know about them Texas boyz  
V12 motors and Lexus toys?

What you know about the dirty South  
Baguettes and princess cuts in our mouth?

What you know about that candy paint?  
We smoke top flight and we drink  
What you know about the dirty South?  
You a bad motha, shh, boy, shut your mouth

What you know about acting bad, flossin' prowlers?  
I got seven DVD's, I'm watchin' 'Austin Powers'  
What you know about wearin' Cardier eye glasses?  
Diamonds in your face just like eye lashes

And what you know about the Astrodome?  
What you know about a Sprint and a Prime Co phone?  
What you know about eating fish and gritz?  
Can I have some toilet paper 'cause this the shit?

What you know about having a pretty grill  
Blue Benz, new fins on pretty wheels?  
What you know about the Kappa beach party?  
I got a full tank like a Master P artist

What you know about them niggaz in suckafree?  
We got Prowlers, Impalas and Lex bubble jeeps  
What you know about club connections  
Or fightin' a case for drug possession?

What you know about the screwed up click?  
I got niggaz mad at me 'cause I blew up quick  
What you know about Rolex invisible set?  
I got on a big chain but I got a little neck

Yeah, what you know about them Texas boyz  
V12 motors and Lexus toys?  
What you know about the dirty South  
Baguettes and princess cuts in our mouth?

What you know about that candy paint?  
We smoke top flight and we drink  
What you know about the dirty South?  
You a bad motha, shh, boy, shut your mouth
