Yeah feel it
It's Lil' Flip, Seville know I'm saying
We gonna do this for the girls though, huh
Do you wanna F L I P with S E V I L L E
Flip with Seville tonight
Fo' sho' with a
Fo' sho', fo' sho', fo' sho' uh
Do you wanna F L I P with S E V I L L E
Flip with Seville tonight
Uh, check me out

You ain't got to stereotype me because I'm a rapper
'Cause after every show I be on another chapter
Not running to them hoes, but I'm running to my do
'Cause when I make money I don't shine, I just glow
If I don't work then I don't eat
So I'm not tricking 'cause I'm looking for the treats
And if you play it right girl we can take it far
How bout walking in the park, rolling in my jaguar

You know you got me hypnotized up, sliding them
thighs up
Ready to slide up, open you wide up tonight
You know you got me hypnotized up, sliding them
thighs up
Ready to slide up, open you wide up tonight, tonight,
tonight, tonight

I wonder if I broke both arms would you right a flow for
me?
If a girl scratched my car would you fight a hoe for me?
Go out of town and go get the dough for me
If I can't buy weed, would you grow for me?
If I go to jail, will you come and get me out?
If a nigga got tickets, would you go and set it out?
I don't know but I'm a find out, that's what I wanna know
'Cause I'm looking for a girl, I'm not looking for a hoe

Everyday I got a show, but I don't fuck around
And a nigga making money as soon as I touch the town
I'm a million dollar star, with a million dollar car
We could get in the jacuzzi and blow a cigar

With some hash in it, six car garage with some jags in it
Nigga got a trunk, and I got ten bags in it
Went to buy some Gucci and some Prada
And niggas know I'm a leader, Lil' Flip will never follow,
holla

You know you got me hypnotized up, sliding them
thighs up
Ready to slide up, open you wide up tonight
You know you got me hypnotized up, sliding them
thighs up
Ready to slide up, open you wide up tonight, tonight,
tonight, tonight

I was lying, about taking a walk in the park
But girl I got some weed, where's the lighter, let's
spark
I'll tell you about me, you tell me about you
And if you play it right I might start calling you boo
Got to cook for a nigga, write a hook for a nigga
If you say the law's coming, then look for a nigga
'Cause a nigga need a gal, who's a ride or die chick
Excuse my French, I need a ride or die bitch

All I wanna do is come inside
Girl tonight I wanna make you feel alright
Ooh baby girl you feel so tight tonight
I like, I like, I like
All I want to do is come inside
Girl tonight I wanna make you feel alright
Ooh baby girl you feel so tight tonight

I like the way you feel tonight
I like the way you feel tonight
Did you know I love the way you feel
The way you feel is so so real
