[tobyMac]

A little freak indeed but not the type that sneaks  
peak into my past and my rhymes seem greek  
for i wasn't the man i am today  
see i ran the games like Tait manned his fade  
it was a kid from hot 'lanta who spits on tracks  
Grits and T-Mac we rock iROCC this is how we do it

[Lil iROCC]

I'm about to speak my mind rewind the time  
just a little bit even though then i was a little kid  
doing little things like a little man  
but i served a big god with my little hands  
and i heard a song that came so strong  
bout living a life bigger than life living for christ  
they were the words that set my soul free  
and sparked the flame that burns so deep  
and it's plain to see why i act this way  
sway when i walk DC when i talk  
get crunk on the beat no matter what you speak  
cuz man i'm a Jesus freak what you sayin now?

[Chorus]

If you get a little bothered you can't blame us

you got an injection of supernatural stuff  
gonna raise up the roof, serve up the truth  
this is how we do it

[Grits]

Oh yes it's us again scarin em off it's bone & Cof.  
influencing little kids on living like lunatics in the Spirit  
this is Hip-Rock with Grits & lil iROCC  
even after the beat drops, he won't stop  
freakin your mind, freakin your mind  
when i'm freakin the rhyme  
i'm tweakin your spine  
every time and i'm using every lyric and line  
to let you know that i'm a freak  
all eyes on me like the illustrious Pac  
i stand before you a man with dirty shoes  
dustier socks, in clusters we rock

ryhme magnate encircled by controversy  
and red tape (AY YO) rollin down a mountain of danger  
and peril  
wrapped in a straight jacket go over cliffs in a barrell  
times is through who wanna, who wanna  
bow and succumb, when you need to be a freak

[Chorus 3x]
