[Chorus]

Lil iROCC is takin over (lunch, lunch)

If you feelin this just (jump, jump)

Turn the cafeteria to center stage

Ya'll ready boy it's about to blaze

[Verse 1]

Yo it's just after 4th bell

Kinda hungry

Naw i'm starvin

ROCC got the munchies

I want Doritos

I want Tostitos

Where the Cheetos

Bust out the Fritos

You i been waiting for this all day

To grab the mic and say what i gotta say

Change the game come to represent the right way

In the lunchroom ya'll better make room

Hold up a minute gotta check my lunch box

Hope i got something to drink

Cuz i'm gon make it hot

Aw yeah i'm straight ain't no need to wait

Slide across the lunchroom like i'm on roller skates

Somebody turn this mic on so i can rock this

Yo i'm rollin with God you can't stop this

I can't help it when i start to hear a beat drop

Or hear a record stop

Shout it out from the roof top

[Chorus]

[Verse 2]

Hey yo i'm takin over the P.A.

From the cafeteria to the hallway

From the 1st bell to the 8th bell

That's all day

From the gym to the playground

Everday run it like a relay

Still i gotta be me

Nothing less cuz i represent the Lord see

That's how i live when at home or on the T.V.

I keep it real see grab the microphone

And make you wonder like Stevie

Yo somebody pass me another yoohoo
So i can break it down and show you how the Lord do
Everything i stand for yo it's all true
Cuz God will come and blow the mind of your whole
crew

[Chorus]

[Verse 3]

Yo throw yo hands up real high
Yeah way up to the sky
Yo i'm in the microphone area takin over
I'm rockin the cafeteria

[Chorus]
