[Chorus 2x]

Do you wanna roll wit me?

Cuz i'm a live for God like i'm supposed to be

I'm headed for my destiney

And ain't nothing in this world that's going to stop me

[Verse 1]

Alarm clock ringing wakes me out of my sleep

Halitosis gotta brush my teeth

In the shower so i wash my feet

Thank God for my family now it's time to eat

I'm crushin three bowls of cereal

My brother lookin like what the dilly yo

You're eatin to fast you need to take it slow

But before i know i look at the clock it's time to go

So i run down to the bus stop aw man i done scuffed

my Reeboks

You know the ones with black and grey chops

Next time i'm gonna get some high tops

But anyway i've seen these two guys

They're always in trouble and they're always telling lies

Wanna hang out with me for a disguise

Surprise i wish you could've seen their eyes when i

said...

[Chorus 2x]

[Verse 2]

I get to school it's the first class of the day

Everything is going okay

It's a nice and sunshiney day until i look up and here

somebody say

Yo ROCC you wanna skip school play hookey live in the
fast lane

Steel some candy and make the getaway

And play games until the end of the day

I said man i don't think so you must be kiddin me

Don't you know i've got God livin in me

Holdin it down for the world to see and got kids lookin
up to me

And i look all around and there's a crowd everything is
starting to get loud

I guess the word must've spread cuz everybody

They start nodding their head when i said...

[Chorus 4x]
