(chorus 2x's)

Now I can't believe why would she do me like that  
Got me in the front with baby boys in the back  
All on tv saying this and that  
On Jerry Springer spreading rumors 'cause he living  
like that

(Lil Italy)

Now why the hell we ain't fucking for  
Can't a young brotha make love anymore  
A 9-8 jag with the least 4 doors  
Another finery that drills off shore  
Can my ride look better than yours  
Can I have a bad bitch who knows how to whore  
Hit the porch at the house without no drawers  
Two full colored pagers of on the source  
Eat lunch at Bennys watch my from my pretty  
I did it for the scrilly  
And do you really feel me  
People want to know who is he It's Lil Italy  
I smoke so much weezy  
I start to feel queezy

(chorus 2x's)

(Lil Italy)

Yo I can't be nad on how ya'll doing me (uh huh)  
Now on the real they doing me  
yo it always be the ladies that be sitting in the rear  
Blowing kisses every year  
But ya'll better listen here  
Be that ex Springer show that comes at the code

And the broken alone  
Something I can't condone  
Plus it won't be long till they buy me a home  
Sittin crispy being in a tank by a jet ski  
Why you don't like me  
'cause I get down like the Isley's

A true ghetto star satisfying your wifee  
If it wasn't for that g no exposure  
Concerts autographs she really wouldn't know you

(chorus 2x's)

(Lil Italy)

We were all in the freaknic me and Miami  
A couple land cruisers nothing fancy  
Long sleeve buff coats came in handy  
While I'm doing my thang with Amy  
Who looked good enough to be Miss New Jersey  
Long distance phone conversations is how she heard  
of me  
Then she started talking about fantasy orgy's  
And how she ran through about 5 serorities  
Didn't I tell you I was the girl with no panties  
Boo you know how many we know with no panties  
Please tell me something that I need to know  
Like if I want Benz It's already paid for

(chorus 4x's)

Now me and Lou flows in the blue hummer  
So it's only right to floss all summer  
(2 x's)
