I'm sorry we parted
I was blue and downhearted
How can anyone, anyone bet on love?

Now that we're together again
Oh, life will be sweet again
You're the one, the one I adore

My heart was just a plaything to you
Just let your love haunt me
And say you'll be mine again
Please whisper that you want me

And now that you're so sweet
Without you, life wouldn't be complete
How can anyone, anyone bet on love?

(spoken:
Now swing, you cats!
You can't bet on love
Hmmm, I'm so melancholy!)

I'm sorry we parted,
I was blue and downhearted,
How can anyone, anyone bet on love?

Now that we're together again
Life will be so sweet again
For you're the one, you're the one I adore

My heart was just a plaything to you
Just let your love haunt me
And say you'll be mine again
Please whisper that you want me

And now that you're so sweet
Without you, life wouldn't be complete
How can anyone, anyone bet on love?

(spoken: Yowza!)
