There's something I gotta tell ya'
'Cause I know that a brother got needs tonight
I ain't trippin' on ya' pimpin' just that shit's tight
'Cause you gotta pay tonight, tonight, tonight

I know you wanna get laid tonight
But I'm trying to get paid tonight
We ain't even gotta fuss and fight
Just hit me right, it's on all night

I know you wanna get in bed wit' me
But you gotta come correctly
Nothin' in life is free
Especially not me

I hope you can feel me
When I say, "Pay before you play wit' me"
Wanna taste this but it's priceless
It might be something you ain't never done before
But I'm not ya ordinary hoe

I know you wanna get laid tonight
But I'm trying to get paid tonight
We ain't even gotta fuss and fight
Just hit me right, it's on all night

I know you wanna get in bed wit' me
But you gotta come correctly
Nothin' in life is free
Especially not me

I fell off in the club, shawty
Not lookin' for love, shawty
But I'm lookin' for a gul, shawty
For I could cut, shawty

Like lil' mama in the blue, shawty
She so got damn cute, shawty
But she say she need cheese, shawty
Before she dip wit' me, shawty

Well, let me see, shawty

What it might be, shawty
And what's ya fee, shawty
For my fantasy, shawty

Now I ain't rich, shawty
But I spend a lil' bit, shawty
So who you wit? Shawty
Let's do this shit, shawty

I know you wanna get laid tonight
But I'm trying to get paid tonight
We ain't even gotta fuss and fight
Just hit me right, it's on all night

I know you wanna get in bed wit' me
But you gotta come correctly
Nothin' in life is free
Especially not me

There's something, that I gotta tell ya
Before you lay with me tonight
I ain't got no problem with fly by nights
'Cause you gotta pay tonight, tonight, tonight

What chu' talkin' 'bout? Shawty
That didn't come out your mouth, shawty
You say you want some cash, shawty
Before I hit that ass, shawty

I'm not yo' boy, shawty
I ain't no toy, shawty
Don't play no games, shawty
'Cause I ain't lame, shawty

But foe' my gurl, shawty
I'll give her the world, shawty
Ain't no thang, shawty
To give up that change, shawty

I ain't rich, shawty
But I spend a lil' bit, shawty
So who you wit? Shawty
Let's do this shit, shawty

I know you wanna get laid tonight
But I'm trying to get paid tonight
We ain't even gotta fuss and fight
Just hit me right, it's on all night

I know you wanna get in bed wit' me
But you gotta come correctly

Nothin' in life is free
Especially not me

Now I'll be there for you if you want me to
I'll be by ya' side if the price is right
Take care of me and I'll take care of you
Nothin' tonight is free

I gotta get paid
Now if you want me, come correctly
it might be something you never done before
I'm not yo' ordinary hoe
